

**DRIESSEN**  
GALLEYS & EQUIPMENT

**ZODIAC  
AEROSPACE**

September 19, 2011

To Whom It May Concern:

**Driessen Aircraft Interior Systems (CAGE: 62225)** is pleased to announce the appointment of Byron Aviation as our aftermarket galley repairs partner for commercial airlines.

Byron Aviation has been in business for over 50 years and is recognized as a leading MRO with offices and staff located in Sydney Australia.

This representation will allow Driessen to provide a higher level of service to our customers by offering improved Regional representation and Repair Services.

Please send all inquiries/orders to Byron Aviation at the following address:

**Byron Aviation**

Address: 12 Marigold Street, Revesby NSW 2212 Australia
